IEKA and LPKM – Albanian Institute of Authorized Chartered Auditors and Albanian professional League of Chartered Accountants

Date 15 February 2004

Dear Sirs,

Following the discussion in the council meeting held in Belgrade on November 2003, I am sending the latest decision taken by our organizations (IEKA – Albanian Institute of Authorized Chartered Auditors and LPKM – Albanian Professional League of Chartered Accountants) regarding our participation in SEEPAD.

Recently, our two organizations have decided to be represented at the SEEPAD **only with one voice** as “the Association of Chartered Accountants and Chartered Auditors of Albania” under the name (IEKA & LPKM). This means that we will take all previous and future responsibilities as a single organization. For such purpose between the two governing bodies of IEKA and LPKM is signed an agreement of representation, where both parties agree to continue their membership at SEEPAD.

So, according to the agreement we have made between two our organizations we will have the right to be represented in SEEPAD with the same representatives as other organizations are represented. So we will have only one member of the council (Mr. Mitri) and one member in each of the other committees (Mr. Cela and Mr. Dhamo). Further representation in assembly meeting and in council meetings or in committee meeting by members from each of our organization is regulated by the agreement we have signed.

As a first step for this representation we would appreciate if you could send as soon as possible the invoice for paying the advance payment for SEEPAD annual membership fee for the year 2004 (1000 Euro) billed to in the new name (**IEKA and LPKM – Albanian Institute of Authorized Chartered Auditors and Albanian professional league of Chartered Accountants**). Immediately after having such a new invoice we will transfer our obligation. Also we remain open to transfer the previous obligation of 2,500 Euro for both our organizations, if we could have the new correct invoice produced as above.

We will provide you the useful information needed for establishing a correct methodology in determining the membership fee within next week.

Looking forward to your prompt answer, we remain

Sincerely Yours

Hysen CELA

IEKA Executive director
